Dear residents and community members,

In comparison to February, the March trends for residential burglaries are slightly up. While we have not had the same issue with daytime hot prowls, we have instead seen a trend of late night garage burglaries in the district. As a department, we recommend that you lock your garage doors at night and request SF SAFE to evaluate your residence.

The March trend for auto burglaries and theft is down. We have added personnel to the Taraval Neighborhood Team (TNT) and their continued focus is to address violent crimes and property crimes in the district.

As a reminder, you can attend monthly Taraval Police Station Community Meetings every third Tuesday of the month, from 6:00-7:00pm at Taraval Police Station. There, you can hear updates and share any of your concerns. For more information, visit <http://www.taraval.org> or call (415) 759-3100

Notable Arrests / Incidents of Note

On 3-3-18, Officer Watson #2481 and Officer Guess #172 responded on a report of vandalism at 730 Ulloa Street. The suspect had just thrown a large rock into a residence window at the unit block of Allstone Way. Officers located the suspect, walking in the middle of Ulloa Street. Officers detained the suspect and began their investigation. As the officers were interviewing the suspect, headquarters broadcast another vandalism incident another house on the unit block of Allston Way. Officer Watson walked to the house where he met with the victim. It was determined that suspect was captured on surveillance video pouring an unknown liquid from 2 containers onto the front porch and stairs of the house. The liquid created a gas cloud and entered into the residence. SFFD responded for hazmat cleanup and the victim's child and victim were transported to SFGH where they were treated and released. It was ultimately determined that the suspect had stolen 2 chemical bottles from a pool supply truck parked in the area and poured those chemicals onto the front entry way of the house. The suspect then walked to another house and picked up a large rock and threw it through a glass window. The suspect is unknown to all victims and was recently released from County Jail for vandalism.

On 3-4-18, TNT Officers responded to the area of the 4000 block Kirkham Street regarding a suspect, making nonspecific death threats to his mother via texts. According to the victim's mother, the suspect is known to own and carry guns. The suspect's sister advised officers that she had met with her brother on Saturday March 3rd and was able to retrieve the suspects AR-15 but not his handgun. The suspect's sister advised officers that the suspect had one handgun and had sold another one a while ago. 3I109, Sgt Khmarskiy #1382, who is a SFPD Specialist, responded to the scene where a plan was devised. Additional specialists responded, SFPD HNT Officer Olson #4051 responded and numerous Taraval Officers were on scene. A perimeter was set up and contact was made with the suspect via phone. The suspect was ultimately drawn out of his residence where officers took him into custody without incident. A search of house was conducted where a Glock 40 was found along with hundreds of rounds of ammunition.

On 3/6/18 at approximately 8:52 pm, dispatch broadcasted a report of a person with a gun at the 200 block Miramar. The caller advised dispatch that the suspect had fired his gun inside the dwelling and was last seen to be pacing around the building acting very disgruntled. Numerous Taraval Officers responded to the scene where they set up a perimeter and shut down traffic. A Command Post was set up in the area and all the appropriate units were notified and responded. Our HNT was on scene and was successful in the suspect to come out of the building. Once outside, the suspect complied with arresting officers who took him into custody without incident. A Glock 9mm firearm and numerous rounds of live ammunition was located.

Notable Arrests / Incidents of Note (Cont.)

On 3/12/18 at approximately 2:12 am, dispatch broadcast a call regarding multiple gun shots heard in the area of the 1500 block of Lakeshore Drive. Officer Tindall, was in the area in full uniform driving an unmarked patrol vehicle. Officer Tindall was parked in a driveway at 1100 Lake Merced Blvd when he heard gun shots. He noticed one vehicle, older model pickup truck, drive past him as he heard more gun shots coming from that vehicle. Officer Tindall broadcast this information to dispatch and units began their response. Officer Tindall followed the truck at a safe distance and continued to update units of their direction of travel. At Sagamore and Arch Streets, marked units conducted a traffic stop. The sole occupant exited the vehicle and resisted arrest thereafter. The suspect was taken into custody and treated for minor cuts and scrapes at SFGH. A search of the pickup truck was conducted and a 9mm pistol, pistol silencer, numerous high capacity magazines and over 60 fired cartridge casings was found within the vehicle.
